Virtual Classroom Language Training

Progress in one of 12 Business Languages with customized training

Elevate covers the business language skills you need to thrive in an international environment.

- Develop new language skills, and track your progress within the Common European Framework of Reference for Languages
- Learn where and when you want with our Virtual Classroom
- Gain confidence with a dedicated expert trainer matching your needs and profile – wherever they are in the world

The quality of trainer-led training, the flexibility of online learning

Business Languages covered

All our business language courses are delivered by certified, native trainers with business expertise.

What's included

- Your level assessment and needs analysis
- An online calendar to manage your own schedule, and reschedule up to 6 hours in advance
- Online face-to-face sessions with a personal trainer
- Business, job- and industry-specific content
- Supplementary homework assigned by your trainer
- 24/7 access to materials covered in your sessions
